Home Time

If you intend for your child to go home with someone other than the people stated on the returned forms, a verbal message from the parent or a letter is required.

Understandably we cannot accept the word of the child or a message via another parent.

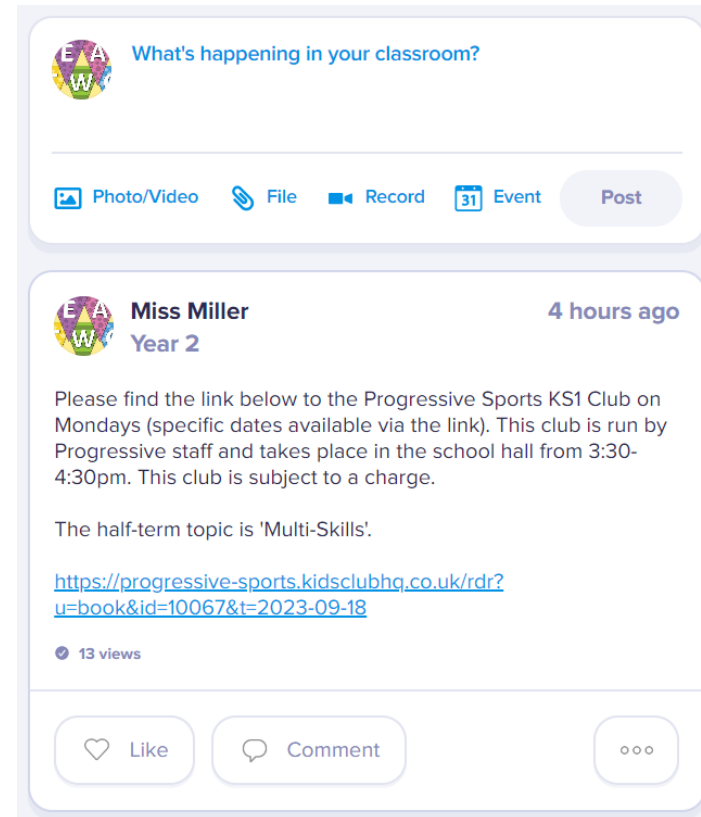

Classroom Communication

If you have messages for teachers, the best way to communicate this is to call the school office or catch a member of staff on the KS1 ramp (am or pm).

We used ClassDojo as a messaging service during lockdowns but it is now mainly used for ClassStory.
