Harvest

A huge thank you to all the parents, carers, and families who joined us for our Harvest Service at St Augustine's Church on Thursday. It was a truly special occasion, and we were so proud of all the children for their wonderful singing – their voices filled the church beautifully!

A special well done to our Year 5 pupils, who led the service with great confidence and maturity. They spoke clearly, shared thoughtful readings, and helped make the celebration both joyful and meaningful.

We would also like to extend our heartfelt thanks for the generous donations made to the Rugeley Foodbank. Your kindness and support will make a real difference to local families in need.

Reception September 2026

If your child is currently in our Nursery and due to start Reception in September 2026, it's important to make sure you complete your school application on time.

Applications must be made online through the Staffordshire County Council website at www.staffordshire.gov.uk/admissions.

When prompted for a UID number, please select 'No UID' to continue with your application.

Key dates:

Apply by: 15 January 2026

National Offer Day: 16 April 2026

Please remember:

- You must apply, even if your child currently attends our Nursery or has an older sibling already at Chancel. A place in Nursery does not guarantee a Reception place.
- You are encouraged to list more than one school preference – listing only one school will not improve your chances of getting a place.
- Be sure to check the admissions arrangements for each school you list, and provide any required additional information or forms.
- You can also use the “School Search and Compare” tool on the Staffordshire website to help with your choices.
- For details about home to school transport, visit www.staffordshire.gov.uk/schooltransport.

If you need any help with your application or have questions about the process, please contact the School Admissions and Transport Service at Staffordshire County Council.

Parent Council

This half term, we held our very first Parent Council meeting, and it was a great success!

The meeting brought together parents alongside Mrs Palmer, Mrs Watson, and Mr Newton to discuss a range of topics about school life, including uniform, spellings, communications, and school trips.

It was a really positive and productive discussion, and we're pleased to share some of the outcomes that have already been put in place:

- **Spelling Recognition:** Instead of posting photos on social media, children who achieve full marks in their spellings will now receive special stickers as a form of recognition.
- **Spelling Reminders:** Weekly spelling reminders will now be posted on Class Dojo every Friday, helping to avoid any confusion about the following week's spellings.
- **School App:** We're delighted that the school app has now been reintroduced, making it easier for families to stay up to date with school news and events.
- **Parent Handbook:** Following a helpful suggestion from parents, we are now putting together a Parent Handbook. This will include useful information for both new parents and those whose children are moving from KS1 to KS2.

The Parent Council is a fantastic way for families to share their ideas and help make our school the best it can be. We'll be meeting every half term, and we're already looking forward to our next session.

If any parents have topics or suggestions they'd like to raise at the next meeting, please do get in touch with one of the Parent Council members:

Mrs L Curran, Mrs B Hewitt, Mrs D Puleo, Mrs S Crutchley, Mrs R Bullock, Miss J McHugh.

Together, we're making a difference—one meeting at a time!

Parking Considerations

We have recently been contacted by residents of Church Croft Gardens regarding parking during school drop-off and pick-up times. It has been brought to our attention that some cars are being parked fully on the pavement, which is causing difficulties for pedestrians – particularly parents with pushchairs and young children – who are having to step into the road to pass.

We completely understand how busy these times of day can be, but we kindly ask all parents and carers to park considerately and safely. Please ensure that pavements remain clear for pedestrians and that driveways are not blocked.

Your cooperation helps keep everyone safe and maintains positive relationships with our neighbours. Thank you for your continued support in keeping our school community safe and respectful.

Parent Survey

The Governors would like to say a big thank you to all the parents who completed our survey last summer. Your feedback is incredibly valuable and helps us to understand what's working well and where we can continue to improve.

We really appreciate the time you took to share your thoughts and ideas – your input makes a real difference to our school community.

Thank you once again for your continued support!

Thank you

Nursery

Blue Monster by Petr Horáček

This is a read-aloud book that demands that the reader find a voice for the Blue Monster and a voice that conveys something of the character's charm, even though he eats anyone who won't play with him!

The illustrations capture each character's feelings, and seeing Blue Monster's body language change as he becomes more and more embarrassed and guilty is a joy! The approach to solving friendship problems is clear and simple, and one that could easily be used with a class of children.

This book is so simple and enjoyable. The illustrations are beautiful, and the story holds a powerful message that is given gently and humorously.

Reception

Donut Touch by Seb Davey

Mikey the T. rex loves donuts, but he doesn't like sharing. When Mikey's delicious donuts start to disappear one by one, he thinks that the reader is taking them, but he is too busy worrying about his donut dilemma to see what's right behind him. Will Mikey ever learn to share?

A laugh-out-loud, interactive story in which readers must try to turn the pages without touching the donuts and upsetting the dinosaur.

Winner of the 2022 Nottingham Children's Book Award.

Year 1

Zebacadabra! by Kes Gray

Zebacadabra is the master of magic. He is so clever, he can transform his animal friends with just one word – "ZEBRACADABRA!" Pink flamingos turn into black-and-white stripy flamingos, Green alligators turn into black-and-white stripy alligators and colourful parrots turn into – you guessed it – black-and-white stripy parrots! But he is the best magician in the world, so turning them back to themselves will be no trouble at all. Or he would be, if only he knew how!

Year 2

Troll Stinks by Jeanne Willis

Billy Goat and his best friend Cyril are messing about with the farmer's mobile phone, taking selfies and playing games... until they discover the number for a troll. Grandpa Gruff says all trolls are bad, so Billy and Cyril decide to get their own back by sending mean messages. After all, trolls really do stink! Don't they?

She finds the next best thing when she and her friend Zoë start helping the new vet and animal rescuer, Dr Polly. Mattie still may not have a pet of her own, but she has amazing adventures rescuing a runaway ferret, trying to stop a greedy goat from eating everything in the garden and looking after an adorable puppy with a hurt paw. But as the animal rescue gets more and more crowded, Mattie, Zoë and the vet's son, Casper, realize that they need to do something more. Can they help the animals find their forever homes?

The Boy At The Back Of The Class by Onjali Q. Rauf

Ahmet is a refugee, and is given a previously empty seat at the back of the class when he starts a new school. He is befriended by the narrator of the story. Kindness and friendship triumph, and the story develops empathy and encourages human connection.

Year 5

My Name Is Sunshine Simpson by G.M. Linton

This is an uplifting story about self-belief, heritage and community. Sunshine feels utterly ordinary, especially when a special school assembly challenges everyone to showcase what makes them unique. Surrounded by vibrant family members, particularly her effervescent Grandad, Sunshine struggles to find her own special talent. As everyday stresses mount, Sunshine grapples with a growing sense of inadequacy. The story follows her journey to follow Grandad's advice to seek her own adventures, stand proud and shine.

Year 6

The Boy With Big Decisions by Helen Rutter

Fred can't make a decision about anything – his parents always tell him what to do, from what to eat every day to which secondary school to choose. That's how Fred has found himself a pupil at the high-pressure, strict Gains School, when he'd much rather be going to Browtree, with its brilliant art department and kind teachers.

As Fred waits for the bus to his new school, he sees the bus for Browtree pull up – and a wild, thrilling, thought strikes him. Should he jump on this bus and pretend he's a new student at Browtree? Will he be brave enough to follow a different path for once?

What Parents & Educators Need to Know about FORTNITE

AGE RESTRICTION
PEGI 12

WHAT ARE THE RISKS?

ALWAYS ONLINE

There's no single-player, offline mode in Fortnite; it can only be played online. Internet access can sometimes be an issue when you're out and about, both in terms of connectivity and using up data. You may find that dedicated, young Fortnite players are often less enthusiastic about family time or trips away – such as days out and holidays – than you might expect.

IN-GAME COSTS

Fortnite is free to download and play, but it does offer various additional purchases – limited-time cosmetic 'skins', music tracks, LEGO items, and battle passes. Children can feel pressured to spend money on V-Bucks – the in-game currency – to avoid missing out, particularly as exclusive items rotate frequently. Some items may not return to the store for years, while Battle Pass rewards are often 'gone when they're gone'.

VIRTUAL VIOLENCE

There's no avoiding that Fortnite is about shooting other players to eliminate them from the contest. That said, there's no blood or gore. The violence is rendered in a cartoonish style, and there are frequent comical touches to lighten the mood, such as mini-games and emotes. Guns and other weapons often look and behave realistically, so discretion is advised. Past seasons have introduced characters and references from mature franchises like The Witcher and Halo.

CROSSPLAY AND PARTY CHAT

Fortnite is popular with many gamers of various ages. Crossplay allows friends to play with each other, regardless of whether they're on an Xbox, PlayStation, Nintendo Switch or PC, while the Party Chat feature allows them to talk to each other during the game. This can put youngsters at risk of exposure to strangers, inappropriate language, and cyberbullying.

FREQUENT UPDATES

Seasonal releases introduce new map changes, gameplay mechanics, and cosmetics. Ongoing updates can increase screen time and potential for obsession as children try to unlock rewards before the season ends. These regular renewals help to hold players' interest, but also give young gamers plenty of reasons to keep coming back. Seasons often change thematically.

POP CULTURE REFERENCES

Part of Fortnite's appeal is its ongoing crossovers with other popular franchises, ranging from films and TV shows like Power Rangers and Avatar: The Last Airbender, to comic book characters including Batman. Other collaborations with series, artists, and influencers may expose children to music, language, or ideas that are more suitable for older audiences.

Advice for Parents & Educators

DISCUSS SAFE SOCIAL INTERACTION

Talk with children about who they're playing with online. Coordinate play time with the child's friends for socialisation and safety in numbers. Encourage them to avoid private voice chats with strangers and remind them not to share personal information. Use real-life examples to explain potential risks, and remind them that if they see something concerning, they should tell a trusted adult.

SET SPENDING LIMITS

Fortnite's rotating store is a not-so-subtle mechanism for coaxing players into buying sought-after items before they disappear for weeks or months. This could lead to surprise transactions on bank cards if children are tempted into an impulse purchase. Parents could consider getting a prepaid card for the child or ensuring that purchases require adult authorisation. This can be done through parental settings on a console or account settings in the Epic Games app on PC.

ENJOY FORTNITE TOGETHER

Fortnite also offers split-screen gameplay, meaning that two people can play simultaneously on the same console or computer. This can be a good option for siblings or for when a child's friends visit, but it also offers an opportunity for parents to do something fun with their child, while making sure they're playing the game safely. Who knows? You might even teach them a thing or two!

BE WARY OF SCAMS

The immense popularity of Fortnite with younger audiences – that are generally more trusting – means there's no shortage of scammers looking to fraudulently obtain passwords and other personal data through techniques like phishing. As the developers point out on many of Fortnite's loading screens, they never ask for a player's account password outside of the game. Make sure any young player knows this.

Wangari Maathai

Wangari Maathai was an inspiring woman from Kenya, Africa, who cared deeply about people, nature, and the planet. She noticed that many trees were being cut down, which harmed the land and made life harder for local communities.

To help, she started the Green Belt Movement, encouraging people — especially

women — to plant trees and look after the environment. Over the years, her movement has helped plant millions of trees across Africa!

Wangari's hard work and determination earned her the Nobel Peace Prize, and her message still inspires people today: even small actions, like planting a tree, can make a big difference in caring for our world.
