**WHAT'S
NEW?**

Christmas Jumper Donations

At Chancel, we always aim to support families in any way we can. Many of you will already know that we accept uniform donations throughout the year, and we have a clothes rail in the main entrance where parents and carers are welcome to help themselves. We understand that buying new uniform can be difficult for some families, and we are proud to offer this support.

As we approach our Christmas Jumper Day on Friday 5th December, we would like to extend this initiative to include Christmas jumpers. We don't want any child to feel left out, and we understand that not every family may have or be able to buy a Christmas jumper.

If you have any spare or outgrown Christmas jumpers at home, we would be very grateful for your donations. These will be added to our clothes rail and made available for other families to use.

Donations can be brought into school and taken to the main office. Thank you for helping us ensure every child can join in the festive fun!

Dance Club

Please note that there will be no Dance Club on Tuesday 25th November and Tuesday 9th December. These sessions are cancelled due to Parents' Evening and Movie Munch taking place on those dates.

Dance Club will return as normal the following weeks. Thank you for your understanding — we can't wait to see all our dancers back on the floor soon!

PTFA KS2 Movie Munch

We are delighted to share that the PTFA have organised a Movie Munch Evening for all KS2 children on Tuesday 9th December 2025. This festive after-school event will run from 3:30pm to 5:30pm, and all children will need to be collected at 5:30pm due to the dark nights.

Two Christmas films will be shown:

Year 3 & Year 4: That Christmas

Year 5 & Year 6: The Christmas Chronicles

The cost of the event is £5.00 per child, payable via ParentPay. This price includes a hotdog, drink and cake, making it a fun and tasty way to enjoy the festive season with friends!

Please note that bookings will not be accepted after Friday 5th December, so make sure to secure your child's place before the deadline.

We look forward to a cosy, Christmassy evening for all our KS2 children!

PTFA KS1 Tea With Santa

We are excited to announce our festive Tea with Santa event, taking place on Tuesday 2nd December 2025 from 3:30pm to 4:45pm. This magical after-school treat is open to all children attending Puffin Nursery, Reception, Year 1 and Year 2.

For just £5.00 per pupil, children will enjoy a delicious tea of fish fingers and chips plus cake, with a vegetarian option available. As always, Santa will be making a special visit to spend time with the children and share some festive cheer.

Please note that the closing date for bookings is Monday 24th November, and unfortunately we cannot accept any pupils after this date.

We look forward to a wonderful afternoon filled with excitement and Christmas magic!

- For details about home to school transport, visit www.staffordshire.gov.uk/schooltransport.

WOW
WORK!

DONUT DISASTER!

By Seren Dunlop

At 6:50 AM on the morning
Wednesday 14th November,
Rugely Police Station had
many calls talking about
the nuclear bomb. It took
place in Market Square,
Near the clocktower.

Reports didn't hold until
ladders and large scale
explosions. Then the robotic
brieffcase opened with a light.
The mysterious man was
shocked. Call 018275890.

Rugely, a small town in the
heart of Staffordshire, fell
victim last week to a care-
less attack involving a man
in black and a fearless
grey Pigeon. Just around
midnight on Saturday 14th November
when people started to cook
the for themselves. Suddenly
one of the cameras spotted
a black man and a Pigeon.
Then the Pigeon

Suddenly, the Pigeon was trapped!
Then the Pigeon pressed fire! So it was
Now more chaos! The town was
ruined by the ladders and explosions.
"I couldn't believe it when I was walking
my dog. I saw smoke and heard loud
bangs," sobbed Alice, aged 52.

Before long, a long Rocket came out
of the clocktower and shot off into
space. The man floated up in the air and
disappeared within minutes. Local residents were
scared. "Am we scared? I saw a Nuke!
I was going to work! Said I was a
local. The mysterious man left the
town and has been seen since.

Year 1

The Lighthouse Keeper's Lunch by Ronda Armitage

Once there was a lighthouse keeper called Mr. Grinling. At night time he lived in a small white cottage perched high on the cliffs, and in the daytime he rowed out to his lighthouse to clean and polish the light.

Every day Mr Grinling tucks into delicious lunch, prepared by his wife, Mrs Grinling. But Mr Grinling isn't the only one who enjoys the tasty food, so Mrs Grinling has to think of a way to stop the greedy seagulls from stealing the lighthouse keeper's lunch.

Year 3

The Boy Who Stole The Pharaoh's Lunch by Karen McCombie

Seth, struggles at school. He can't focus on lessons and thus begins a prank that lands him on the muddy banks of the Nile. The way back isn't at all clear, so, while he works it out, he'll just have to muddle along with Mery, the Egyptian girl he first meets, and her family, who are soon busily preparing for Pharaoh Akhenaten's visit to their neighbourhood. The exact details of their celebration, as well as other aspects of life in Ancient Egypt, have Seth questioning not just his knowledge of history, but also customs that seem quite shocking. As readers, we are offered some 'facts behind the story'; insights into Seth's experience, which might just help others when learning is a little challenging.

Year 4

Turtle Moon by Hannah Gold

Silver Trevelon's parents aren't happy. They haven't been happy since the nursery they decorated started gathering cobwebs, waiting for the baby brother or sister that never came. So when Silver's dad is invited to paint at a turtle rescue centre in Costa Rica, she hopes it'll be just the adventure the family needs. Under the hot tropical sun, Silver settles into life at the animal centre. She even witnesses a rare sighting of a turtle nesting on the beach. But when the turtle's eggs are stolen, events take a dark and dangerous turn. Can Silver and her new friends track them down before it's too late?

Year 5

The Wolves Of Willoughby Chase by Joan Aiken

When orphans Bonnie and Sylvia fall into the hands of evil Miss Slighcarp, they need all their wits – and the help of Simon the goose-boy – to escape unscathed, for the governess is more cruel and merciless than the wolves that surround the great house of Willoughby Chase.

Filled with brilliantly-drawn Dickensian characters, it would make an excellent choice for strong preteen readers who like an old-fashioned story with a strong plot and good characterisation. This book often appears on lists of best-loved children's books.

Year 6

The Blockbusters! by Frank Cottrell

When new boy Rafa and his friends accidentally stray onto the set of a Hollywood blockbuster, the last thing they expect is to become part of the action. Rafa's likeness to the famous movie star, BB, gives him VIP access all areas, including the banquet of catering doughnuts!

But Rafa isn't the only one having an adventure. His big brother, Cillian, is missing. He sent Rafa a clue to his location, but he can't really be in actual Hollywood, can he? It's up to Rafa to keep acting the part of a movie star, if he is to find his brother – and home.

Safeguarding

Our most important role at Chancel is keeping the children safe and protecting them from potential harm. Safeguarding the children is everyone's responsibility and is best achieved through working in partnership as a school community.

The safeguarding staff at Chancel are:

- *Mrs Palmer - Designated Safeguarding Lead (DSL)*
- *Mrs Watson and Mr Newton- Deputy Designated Safeguarding Leads (DDSLs)*
- *Mr Sparkes- Safeguarding Governor*
-

If you are worried about a child's well-being or believe they may be at risk of harm, you should report this concern to school, either by personal visit, email or telephone. You can also contact:

- *Staffordshire Families Integrated Front Door (SFIFD) - 0300 111 8007*
- *Staffordshire Police - 101 or 999*

If you are contacted by staff about a safeguarding concern, please do not be offended. We are sure you would rather we take every precaution to ensure the children's safety. We are also here to support you, should you have any concerns or difficulties.

If you're ever looking for reliable, up-to-date safeguarding guidance, the Safeguarding Network (safeguarding.network) is a website worth bookmarking. Although it's geared especially toward schools and designated safeguarding leads (DSLs), it offers many publicly available resources that can be very helpful for parents too.

What is Safeguarding Network?

The Safeguarding Network describes itself as a hub where safeguarding best-practice, training tools, and resources are collected for education settings, early years, care settings and other organisations working with children.

While some content is for members only, many articles and guides are free to access — they're designed to help everyone understand safeguarding risks and how to respond appropriately.

What Can Parents (and Carers) Access on the Site?

Even as non-staff, parents can find valuable information under the "Resources" (or "Safeguarding Resources") section — covering a wide range of issues that affect children's safety and wellbeing.

Some of the topics covered include:

Child-on-child abuse — information about what it is, how it can happen (both face-to-face and online), and what adults should be alert to.

Bullying, including its impact and why it must be taken seriously.

Online risks and "sharing nudes" — content about young people being coerced or pressured into sharing inappropriate images or content, and how to talk about that as a parent.

Child exploitation, including exploitation through trafficking, drugs, or other coercive practices — and how to recognise and respond to warning signs.

Risks within the home and outside the home, including neglect, domestic abuse, and other safeguarding issues that children may face in different environments.

What Parents & Educators Need to Know about TRACKING DEVICES

WHAT ARE THE RISKS?

STALKING AND HARASSMENT

Because of their tiny size and unassuming appearance, tracking devices can easily be hidden in bags or clothing. They've been used to monitor individuals without their knowledge, with a lawsuit in the US labelling AirTags "the weapon of choice of stalkers and abusers". In the UK, use of tracking devices in coercive control and stalking cases reportedly rose by 317 percent between 2018 and 2023.

TOOLS FOR BULLYING

Tracking devices could allow bullies to follow or locate their targets even outside of school. This makes it difficult for children to find refuge, potentially extending the trauma of bullying into spaces – like home – that should feel safe and secure.

FALSE ACCUSATIONS

Because tracking devices are linked to user accounts, they could be misused to 'prove' ownership of someone else's possessions. Someone could, for example, plant a tracker on another person's belongings to falsely claim them as their own.

INVASION OF PRIVACY

These devices are designed to share location data with the user via other people's phones, which can unintentionally broadcast someone's movements without their consent. This makes them vulnerable to being monitored by strangers without realising.

DIFFICULT TO DETECT

Many tracking devices are designed to be discreet, but that also means they're easy to hide. Without proactive checking or the right tech to detect them, children and young people might not realise they're being tracked.

Advice for Parents & Educators

WATCH FOR WARNING SIGNS

If a child's peers always seem to know their location – whether in person or hinted at online – it could be worth checking for tracking devices. Some, like AirTags, will eventually make a noise if separated from their owner. Listen out for a chirping sound.

CHECK LIKELY HIDING SPOTS

Common places where trackers may be planted include jacket linings, bag seams, pockets, or under bike seats. If you find one, take a photo of the serial number before disposing of it – this could help police trace the account it's linked to.

USE DETECTION APPS

Apple devices running iOS 14.5 or later will notify users of unknown AirTags nearby. Android users can install Apple's 'Tracker Detect' or the third-party app 'AirGuard' to scan for tracking devices from various manufacturers.

HAVE THE CONVERSATION

Talk to your child about what tracking devices are, what signs to look out for, and how they might be misused. Emphasise the legal consequences of using them to prank, harass, or monitor someone.

Princess Diana

Princess Diana, often called the “People’s Princess,” was loved around the world for her kindness and compassion. Although she became famous as part of the British royal family, she chose to use her position to help people in need. Diana supported charities that cared for children, people without homes, and those suffering from serious illnesses.

At a time when many were afraid to go near someone with HIV or AIDS, Diana showed great courage by visiting patients, shaking their hands, and reminding the world that everyone deserves kindness. She also helped raise awareness about landmines by walking through safe, cleared areas to show how dangerous leftover weapons can be for children and families.

Princess Diana is remembered for her warm heart, her bravery, and the way she treated everyone with respect. Her life continues to inspire people to care for others and make the world a more compassionate place.
