NEW?**

Year 1 Phonics Parent Workshop

We would like to invite all parents and carers of children in Year 1 to attend a Phonics Workshop on **Thursday 16th April at 5pm.**

During the session, staff will explain how phonics is taught in school and provide useful information about the statutory Phonics Screening Check, which all Year 1 children will take part in this June.

The workshop will also include practical ideas and guidance on how you can best support your child's reading and phonics learning at home.

We hope as many parents as possible will be able to attend this helpful and informative session, and we look forward to seeing you there.

Milk

Children can enjoy a daily carton of milk in school from Monday 13th April to Friday 17th July.

The cost for milk for the full term is £21.24.

If you would like your child to receive milk each day, please ensure that your order is submitted no later than Wednesday 25th March, as orders cannot be accepted after this date.

Please note that parents of Reception children will be notified separately regarding milk arrangements.

3rd March 2026

Dear parent /carer

We are writing to inform you of a change in the way we seek consent for the vaccinations your child receives at school.

The School Age Immunisation Service (SAIS), provided by Midlands Partnership University NHS Foundation Trust is adopting a new NHS England digital system called MAVIS (Manage Vaccinations in Schools).

MAVIS has already been introduced by a number of SAIS teams across the country and improves how vaccinations are recorded and managed in schools, providing a more accurate record of consent for school-aged children.

This reduces the possibility of vaccination errors being made, protects children and young people and improves the online consent experience for parents and carers.

What's changing

School vaccination sessions starting from 13th April 2026, the SAIS team will be contacting you directly to request consent for vaccinations, instead of this information being sent via the child's school. This new approach will make it quicker and easier for you to give or refuse consent for vaccinations.

Please note, if we do not receive parental or carer consent decision for the vaccination as outlined above, we may allow the young person in Year 9 and above to give self-consent to the vaccination on the day.

You can find more information about the [role of the SAIS team in supporting vaccinations](#) on GOV.UK.

All information is held securely on our systems in line with the Data Protection Act 2018 and Midlands Partnership University NHS Foundation Trust's policies and procedures. For any further information about how we use your data please see the Trust's [Privacy Notice](#) (mpft.nhs.uk).

If you have any questions, please contact the School Age Immunisation Service on the number or email address below:

Open Farm Sunday

This year marks the 20th anniversary of Open Farm Sunday, taking place on Sunday 7th June 2026. Open Farm Sunday is a fantastic opportunity for the public to connect with farmers and learn more about how food is produced, how nature is cared for and how the environment is protected for future generations.

To celebrate this special anniversary, the school has sent home competition entry forms for a “Design a Sticker” competition.

Children are invited to create their own sticker design based on the theme “Farming with Nature.” Designs can be created using any medium such as crayons, paint or collage, but they must be flat so they can be printed as a small sticker.

Entries can be returned to school by Friday 27th March and we will send them off on your behalf. The overall competition deadline is midnight on Easter Monday, 6th April, so any entries completed after 27th March will need to be sent directly by parents using the contact details on the form.

Winners will be announced during the last weekend of April. The winning stickers will be given out on farms across the country on Open Farm Sunday, and winners will also receive a notebook featuring their design and a £20 voucher.

Entries can be submitted directly by:

- Email: openfarmsunday@leaf.eco
- Post: LEAF (Linking Environment And Farming), Avenue J, Stoneleigh Park, Warwickshire, CV8 2LG
-

Please note that entrants must be under 18 years old on 7th June 2026.

Full Terms and Conditions can be found on the competition website.

Competition:
Design a sticker for Open Farm Sunday!

Open Farm Sunday is farming's annual open day. It's a chance for people to discover the world of farming, & learn how farmers farm with nature.

Create your own sticker design that brings to life our theme of **farming with nature!**

Use any medium that you like (crayons, paint, collage...), but it must be flat so that it can become a small printed sticker. Like this!

Don't forget to visit a farm on 7th June 2026!

School Car Park

Dear Parents and Carers,

I hope this message finds you well.

I am writing to inform you of an important change regarding the use of the school car park. Following a recent review of our safeguarding and site safety procedures, we have made the decision to prohibit parent and carer use of the school car park, including breakfast and after school clubs.

This decision has not been taken lightly. Our primary responsibility is to ensure the safety and wellbeing of all pupils. Restricting access will improve overall site safety.

With effect from Monday 9th March 2026, the school car park will be reserved for staff and authorised visitors only. We kindly ask all other parents and carers to make alternative parking arrangements and to be mindful of parking considerately and legally in surrounding areas.

We appreciate that this change may cause some inconvenience; however, we are confident that it is a necessary step to maintain a safe environment for everyone in our school community. We thank you in advance for your understanding and cooperation.

If you have any questions or concerns, please do not hesitate to contact the school office.

Kind Regards
Mrs R Palmer

Easter Celebrations

We're egg-cited to share all the wonderful Easter events we have planned for the last week of term! There's something for everyone, and we hope lots of families will be able to join in the fun and celebrations.

KS2 Decorate an Egg Competition – World Cup Theme

Key Stage 2 children are invited to take part in our "Decorate an Egg" competition with a World Cup theme.

Please bring completed entries into school on Monday 23rd March, ready to be judged. We can't wait to see your creative designs!

KS1 Easter Bonnet Parade

Our Key Stage 1 children will take part in an Easter Bonnet Parade in the school hall on Tuesday 24th March at 2.30pm.

Families are warmly invited to come along and enjoy the parade – we're sure there will be some egg-traordinary headwear on show!

Non-Uniform Day & Easter Activities – Thursday 26th March

On Thursday, children can come to school in non-uniform for £1 per person (or wear school uniform if they prefer).

There will be lots of Easter-themed activities throughout the day, including name the bunny and a raffle to win an Easter hamper!

Activities will cost 50p–£1 per entry, with all money raised going to the school PTFA.

Church Service – Friday 27th March

On Friday, we will be holding our Easter Service for children from Reception to Year 6 at St Augustine's Church at 10.00am, led by Year 4.

Parents, carers and family members are very welcome to join us, and we hope to see as many of you there as possible.

Thank you for your continued support. We're looking forward to a fun-filled and festive final week of term with our school community!

KS2 Tuck Reminder

A reminder that our Key Stage 2 Tuck Shop has reopened after Christmas and is now running every day. Children can enjoy a warm snack or a healthy treat during break time, all at pocket-friendly prices. The menu is simple, delicious, and a great option for a mid-morning boost.

Here's what's on offer:

Hash Brown – 50p

Toast – 30p

Milkshake – 70p

Piece of Fruit – 50p

Thank you for supporting our school tuck shop!

Changes to Lunch and BASC Prices

We would like to let parents and carers know about some upcoming changes to the cost of school lunches and our Before and After School Club (BASC) sessions.

Over the past few months, we have been reviewing the prices charged by other local schools, as well as the rising cost of food. After careful consideration, we have made the decision to adjust our prices from 1st April 2026.

School Lunches - To ensure we can continue providing nutritious, high-quality meals, the price of a school lunch will increase to £2.75 per meal.

We have aimed to keep our new price as affordable as possible while still covering increased costs.

Before and After School Club (BASC) - The rise in food and running costs has also affected our BASC provision. To continue offering a safe, welcoming environment for children before and after school, the fees will be updated as follows from 1st April 2026:

Morning session: £6.00

Half session (3:30–4:45pm): £6.00

Full session (3:30–5:45pm): £8.00

We remain committed to providing high-quality care and activities for all children who attend BASC.

Thank you for your understanding and continued support. If you have any questions, please contact the school office.

Trips

Year 2

Twycross Zoo

Year 2 are very excited to be visiting Twycross Zoo on **Tuesday 16th June 2026** for a fantastic day of learning and adventure. During the visit, children will have the opportunity to listen and learn from the zoo's expert Discovery and Learning Rangers, who will help bring the amazing world of animals to life.

The children will explore the zoo and discover over 500 animals from 125 different species, including big cats, monkeys, apes, birds and some of the rarest species on the planet. This visit links perfectly with our learning in school and promises to be a memorable and inspiring experience for everyone.

Children must wear full school uniform on the day and will need a waterproof coat and suitable footwear. A packed lunch will be provided by school for all children. The cost of the visit is £28.50, which is payable via ParentPay.

Year 1

Trentham Gardens

Year One will be visiting Trentham Gardens on Thursday 23rd April 2026, taking part in a variety of Natural Art activities. The children will be experimenting with different shapes, patterns, colours, and textures in nature which will support their topic of understanding seasonal changes. The children will also be able to take part in a barefoot walk, explore a hide and speak maze, discover beautiful wildlife and may even be able to catch a sight of Trentham's own family of beavers.

The cost of this visit is £24.00 per child. Children will be required to wear full school uniform and waterproof coat.

All children will be provided with a packed lunch from school.

Reception

Monkey Forest

Reception children will be heading off on an exciting adventure to Monkey Forest at Trentham on Tuesday 9th June 2026 as part of their topic, "The Great Outdoors". This fun and educational visit will give the children the opportunity to explore nature and learn more about animals in their natural environment.

The visit will take place during normal school hours and full school uniform must be worn. Please ensure your child comes to school with a waterproof coat and suitable footwear, as the trip will involve walking outdoors.

All children will be provided with a packed lunch from school.

The cost of the visit is £25.50, which is now available to pay via ParentPay.

We're really looking forward to a fantastic day of outdoor learning and discovery!

Nursery

Ash End Farm

Our Nursery children (not Ducklings) will be enjoying an exciting visit to Ash End House Children's Farm on Wednesday 10th June. This visit will support their learning by giving them the opportunity to take part in educational interaction with a variety of animals, including chickens, rabbits and goats.

Children are required to wear their school jumper or cardigan with a polo shirt. Please ensure your child also has suitable footwear and a waterproof coat, as the visit will take place outdoors.

Children will need to bring a packed lunch and a drink on the day. The cost of the visit is £26.00.

We are sure the children will have a wonderful day learning about animals and enjoying this hands-on outdoor experience!

Someone Just Like You by Helen Docherty

Somewhere in this world, there is someone just like you, who finds the same things funny and who laughs the way you do. Have you ever stopped to think that there might be someone out there who is just like you? And if they needed you, would you help them? Helen Docherty's lyrical rhyming text is perfectly matched by David Roberts' stunning, thoughtful illustrations, as the two combine to make a picture book that is as necessary as it is beautiful.

Donut Touch! by Seb Davey

Mikey the T. rex loves donuts, but he doesn't like sharing. When Mikey's delicious donuts start to disappear one by one, he thinks that the reader is taking them, but he is too busy worrying about his donut dilemma to see what's right behind him. Will Mikey ever learn to share? A laugh-out-loud, interactive story in which readers must try to turn the pages without touching the donuts and upsetting the dinosaur.

Year 1

Gina Kaminski Saves The Wolf by Craig Barr-Green

Gina Kaminski is here to tell you three facts.

- 1 – Little Red Riding Hood is full of BIG mistakes.
- 2 – She is off to fairy tale land to fix them.
- 3 – She WILL save the wolf.

Who's afraid of the big bad wolf? Certainly not Gina as she takes the narrative lead and tells the story in her own distinctive way. With fantastic illustrations from Francis Martin, and an innovative use of pictorial emoji language, this is the ideal book to empower every child to be the hero of their own story.

Year 2

Cloud Boy by Greg Stobbs

When Bobby gets distracted, he starts to float. Everyone tries to help him, but there are so many sights and sounds and smells which draw his attention away from everyday things. Bobby would like to concentrate like his friends, but it's very hard, so his family and friends come up with all sorts of clever plans. But a string tied around Bobby's ankle just makes him feel empty inside. In this uplifting story, Bobby's friends and family might just learn that the best way to understand Bobby is to think a bit like him. A positive fable that celebrates the value of neurodivergence.

Terry Deary's Terrible True Tales: Romans explores the wonders of the Roman Empire through the eyes of children who could have lived at the time. Packed with fun illustrations by Helen Flook, these stories feature real people and take place in some of the most significant moments in Roman history. This new edition features notes for the reader to help extend learning and exploration of the historical period.

Year 5

The Beast And The Bethany by Jack Meggitt-Phillips

Ebenezer Twitch is five hundred and eleven years old. He has reached this astounding age due to an elixir of youth provided to him by a magical beast, which lives on the top floor of his house. Ebenezer adopted the creature when it was tiny and was thrilled to find that it could magically vomit up any item he desired in exchange for food. As the beast grew larger, so did its demands for unusual dishes, until Ebenezer's reliance on it to continue living caused him to sacrifice some of the world's rarest (and subsequently extinct) creatures. Now, though, the beast wants to eat a child...

Year 6

Popcorn - Sometimes Life Turns Up The Heat! by Rob Harrell

Andrew's just trying to get through school photo day with one aim: a photo of him that his mum will like. But today of all days, the world seems out to get him. There's a bully, a science experiment gone wrong, scary news about his grandmother, and someone else's juice snot. Andrew struggles with anxiety, and the little kernel of worry in his stomach is getting hotter and hotter. Can he make it through the day without popping?

Safeguarding

Our most important role at Chancel is keeping the children safe and protecting them from potential harm. Safeguarding the children is everyone's responsibility and is best achieved through working in partnership as a school community.

The safeguarding staff at Chancel are:

- *Mrs Palmer - Designated Safeguarding Lead (DSL)*
- *Mrs Watson and Mr Newton- Deputy Designated Safeguarding Leads (DDSLs)*
- *Mr Sparkes- Safeguarding Governor*
-

If you are worried about a child's well-being or believe they may be at risk of harm, you should report this concern to school, either by personal visit, email or telephone. You can also contact:

- *Staffordshire Families Integrated Front Door (SFIFD) - 0300 111 8007*
- *Staffordshire Police - 101 or 999*

If you are contacted by staff about a safeguarding concern, please do not be offended. We are sure you would rather we take every precaution to ensure the children's safety. We are also here to support you, should you have any concerns or difficulties.

Advice to parents and carers on keeping children safe from abuse and harm

Updated 22 February 2021

What Parents & Educators Need to Know about STREAMING SERVICES

WHAT ARE THE RISKS?

Streaming services are platforms that allow users to watch cartoons, documentaries and movies online immediately (often referred to as SVoD: streaming videos on demand). Ofcom reported that children and young adults prefer streaming services to traditional TV. With two-thirds of UK households subscribing to at least one streaming service, parents must understand how to manage screen time, set age restrictions and ensure safe viewing.

COSTLY

Subscription services can be costly. As the main source of entertainment, most households have at least one streaming platform, and each platform has its own monthly subscription fee. Services are charging more for ad-free viewing, and better quality and resolution; however, there is a cheaper option with adverts. Due to price increases, Netflix and Disney+ reported a sharp increase in users subscribing to their ad-supported tier in 2025.

ILLEGAL STREAMING

Sharing passwords or using modified Fire Sticks to access streaming content without permission is illegal. Most streaming services have now put measures in place to detect account sharing. When account sharing is identified, platforms will offer an opportunity to pay for an added member or will ask the user to verify who they are.

AGE-INAPPROPRIATE CONTENT

Most streaming platforms allow users to set up a profile for each family member, with the option of putting specific restrictions in place. These include adding a profile lock or PIN, controlling autoplay of previews and next episodes, and limiting content based on age ratings. Nonetheless, these restrictions aren't foolproof. Content which is rated as suitable for an age group may still include themes, language, or images which children and families find inappropriate.

EXCESSIVE SCREEN TIME

Excessive screen time contributes to sedentary behaviour and can negatively impact physical and mental health. Ofcom found that 4- to 15-year-olds averaged 2.5 hours per day across all video-sharing platforms, not including gaming. The vast range of content available, combined with features such as autoplay, makes it easy for children to watch for extended periods of time.

BINGE WATCHING

Features such as autoplay make it easy for viewers – especially young people – to continue watching episodes without a break. This can foster unhealthy and addictive patterns, such as consuming a vast amount of content in one sitting. With binge watching come a lack of social interaction, lack of physical exercise, and often late nights and sleep disruptions which impact their mental and physical wellbeing.

HARMFUL STEREOTYPES

Many platforms track viewing habits, time consumed, and preferences, and generate recommendations to encourage your child to keep watching. This results in your child being in a 'loop' whereby they think the 'recommended' shows would be something they would enjoy rather than thinking critically for themselves. This can shape their beliefs, values, and understanding of the world from a young age without even realising it.

Advice for Parents & Educators

SET UP INDIVIDUAL PROFILES AND ADD PINS

Almost all streaming services allow users to set up individual profiles where each family member can have age restrictions put in place for the content they can view. Adult profiles can be protected through the use of PIN. Keep this private. Use the options of putting specific restrictions in place such as controlling autoplay of previews and next episodes, and limiting content based on age ratings.

MONITOR AND TALK OFTEN

Discuss with your child what they are watching, find out which programmes are trending, and watch them yourself. Have a little look at their watch history to check the content of what they're watching. Some platforms have been known to recommend or autoplay older or graphic content after a child's movie has been played. While some tv shows or movies may have a suitable age rating, your child may still find the content scary, or it may explore themes you don't want to explore with your child yet.

TALK ABOUT ALGORITHMS

Talk to your child about how streaming services track what they watch, and base adverts and recommended shows/movies on previous viewing. Encourage them to critically think about whether the recommendations are suitable and how they want to spend their time. Discuss stereotypes with your child and challenge them to think about what they watch and how this may influence their beliefs.

SET TIME RESTRICTIONS

Many streaming services offer the opportunity to buy movies, or add additional features to your subscription such as sports channels, as well as play games. This can increase the amount of time young people spend sitting idly in front of the screen. Some platforms (e.g. Apple TV+) allow you to set screen time restrictions. If the streaming service doesn't allow you to set screen time limits, set a family rule and stick to it.

Positive Global Citizen

What is a positive global citizen?

A positive global citizen is someone who actively contributes to making the world a better, more equitable, and sustainable place, recognising their role within the global community. This means being aware of global issues, respecting cultural differences, and taking responsible actions that benefit people and the planet.

Key qualities of a positive global citizen:

- **Awareness:** Understands global issues like poverty, climate change, human rights, and inequality.
- **Empathy and Respect:** Appreciates diverse cultures, beliefs, and perspectives.
- **Responsibility:** Recognises how personal choices (e.g., consumption, travel, communication) impact others globally.
- **Action-Oriented:** Engages in activities that support positive change—volunteering, ethical consumerism, advocacy, or education.
- **Collaboration:** Works with others, across borders and cultures, to solve shared problems.
- **Sustainability-Minded:** Supports practices and policies that protect the environment and promote long-term well-being for all.

Examples of positive global citizenship:

Florence Nightingale

Florence Nightingale is known for her kindness and for helping to improve hospitals. She was a nurse who cared for injured soldiers during a war, making sure they were safe, clean, and comfortable. Her work helped change the way patients were looked after.

Even when conditions were difficult, Florence worked hard every day to care for others. She believed that everyone deserved to be treated with respect and compassion, and she helped make hospitals better places for people to heal.

Today, Florence Nightingale is remembered for her dedication and care. She reminds us that helping others and showing kindness can make a big difference in the world.
