Through a broad, enriching and inspiring curriculum, we strive to develop confident, resilient and compassionate learners who are prepared for the opportunities and challenges of the future. We celebrate individuality, promote equality and ensure that every member of our school community feels a true sense of belonging. Together, we aim to foster a lifelong love of learning, high aspirations and the confidence for every child to flourish academically, socially and emotionally.

Good To Be Green

This year, we will be continuing with **Good to Be Green**, a positive behaviour strategy that helps children understand expectations, make good choices and take responsibility for their behaviour.

All children begin each day on **green**, representing positive behaviour and learning choices. If a child makes a poor choice, staff use a stepped approach of **Stop and Think**, **Warning** and, where necessary, a **Consequence Card**, giving children opportunities to reflect and improve.

We also celebrate positive behaviour through **Good to Be Gold**. Each day, teachers will choose one child who has demonstrated excellent behaviour or a positive attitude to learning. They will receive a **Good to Be Gold card** and visit **Mrs Palmer** to collect a special sticker.

Our aim is to create a positive, supportive environment where children are encouraged to make good choices and be recognised for doing so.

School Bags

Please ensure your child comes to school with a Chancel school bag.

The school bag completes your child's uniform and ensures they look smart coming into school.

When children move up into Year 6, they get the choice of bringing their own school bag in.

Uniform

- ▶ Burgundy sweatshirt, cardigan or jumper (available with school logo)
- ▶ Gold or burgundy polo shirt (available with school logo)
- ▶ Grey trousers/shorts/culottes
- ▶ Grey skirt (length appropriate for school i.e. knee length)/ pinafore
- ▶ Black, grey or burgundy socks or tights
- ▶ Safe, practical black shoes (not trainers)
- ▶ Please also ensure that all items are clearly labelled with your child's name.
- ▶ Jewellery is limited to one wristwatch and small stud earrings which must be removed for PE (including swimming).

- Online homework will be set on a Tuesday to be completed by the following Monday.
- Pupils with missing homework on Monday, will be reminded and then given until Tuesday to complete.
- Homework that is still not completed by the Tuesday will need to be completed during break time.

Supporting Your Child At Home

- Read regularly and talk about books.
- Practise multiplication and number facts little and often.
- Encourage independence with organisation and routines.
- Ask your child about what they have learned.
- Praise effort, perseverance and improvement.
- Ensure your child gets enough sleep and arrives ready to learn.

Home Time

If you intend for your child to go home with someone other than the people stated on the returned forms, a verbal message from the parent to the office or a letter is required.

Understandably, we cannot accept the word of the child or a message via another parent.

As dismissing time can be quite hectic, please be patient as teachers make their way through the line.

In Year 5, children can walk home if school have received written consent from a person with parental responsibility.

Class Trips

We will be visiting the **Think Tank in Birmingham** during the Autumn term and will take part in a residential visit to **Laches Wood** in the Spring term.

A parent meeting about the residential to Laches Wood will be held in February.

**Keep your eye on the Chirper
for more details soon!**

Reports

- Pupil Progress Reports will be sent via Class Dojo in November and March. After each report, parents will have the opportunity to speak to the class teacher should they wish.
- A comprehensive End of Year Report will be sent home in July; there will also be an Open Evening in July to meet the teachers.
- Children are assessed regularly through lessons, quizzes and end-of-unit assessments.
- Teachers use assessment information to identify strengths and next steps.
- We celebrate progress as well as attainment.

Classroom Communication

- If you have a message for a teacher, the best way to communicate this is to call the school office (01889 228710) or speak to a member of staff on the playground at the start or end of the day.
- Unfortunately, we are unable to use Class Dojo as a messaging service.

Religious Education

Religious Education (RE) is an important part of our curriculum at **Chancel Primary School**. Through RE, children learn about a range of religions and worldviews, developing their knowledge, understanding and respect for different beliefs and perspectives.

Our RE curriculum is **educational and inclusive**. We teach children *about* religions and worldviews; we do not seek to promote or encourage any particular religious belief.

Information about our **RE curriculum, syllabus and how it is implemented** can be found on our school website.

If you have any questions about RE, please speak to your child's class teacher or contact the school office.

- The Chancel Chirper is our weekly school newsletter and it is full of useful information and key dates.
- It is published each Friday during term-time via Class Dojo, the school website and on our Facebook page.
- Please read it to stay up to date with school life!
- Other information may be sent home via email, letter or Class Dojo.
